

You may use this form to record fall protection training; however, whatever method you use to record training must include the name of the employee trained, the training date(s) and the trainer's signature.

Training Record

 [Employer name] has a written company safety and health program that details its responsibilities under OSHA's fall-protection standard, 1926 subpart M. In accordance with Section 1926.503, all employees of **[Employer name]** will be trained by a competent person prior to any job assignment where fall protection is required. The training will enable each employee to recognize fall hazards and to follow appropriate procedures that minimize the hazards.

This record certifies that the following employees have been trained to recognize fall hazards and to use appropriate fall-protection systems and methods to minimize exposure to the hazards.
